

OEM mobile phone clip holder with flexible long arm Blue

DESCRIPTION:

The clothespin holder is the ultimate support accessory for your mobile.

With great ease of installation and the ability to adjust it as you wish, it is exactly what you need.

Now you can support your mobile everywhere so you have no restrictions!

With the metal wire about 40cm long, support your cellphone in the office, on the bed or on the kitchen table, so you will have it at the desired angle and height without holding it in your hands.

Browse the Internet and make video calls via skype with the convenience of typing.

Compatible with most mobile phones such as iPhone, Samsung, LG, Sony and Motorola.

In addition to mobile it can support mp3 and mp4 players, GPS, cameras, or even your coffee (maximum opening width 10cm).

Its ergonomic design allows you to adjust both the viewing angle of your mobile and the height or distance you want to position it.

At the points of contact with mobile phones and furniture, there are special pillows to prevent scratches.
