

FOREVER VR-110 DVR CAR CAMERA

Description

- **Forever VR-110 Dash Cam** is a low-budget recorder with an integrated G-sensor for sudden shocks. It records audio and video in HD format and features continuous loop recording.

Features:

- 720p high-resolution recording with a 120-degree wide-angle lens
- The integrated impact G-Sensor activates with sudden shocks and saves the video files beforehand
- Continuous loop recording; when the storage space is full, the camera automatically covers earlier segments
- The microSD card slot supports cards with up to 32GB
- Dedicated buttons on the back allow you to easily control the camera
- With a built-in microphone for audio recording
- Includes a suction cup holder that keeps the camera safely attached to your windshield

Specifications:

- Video Resolution: 1280x720, 640x480/ 30 fps
- Loop-cycle recording
- Screen Size: 2.4" LCD
- Storage: microSD cards, up to 32GB (not included)

Package Includes:

- 1 x Forever VR-110 Car DVR Camera
- 1 x Car Charger
- 1 x Car Mount
- 1 x USB Cable
